Chorus:

And now all of ya on da floâ€™™
Make it right, make it low
Move it as lâ€™™ m showing you
This beat makes ya wanna more
Yeah, my nameâ€™™ s MBeyeline
I feel the music, feel the scene
You are playinâ€™™ now my game
And I â€™™m singinâ€™™ in my way

And now all of ya on da floâ€™™
Make it right, make it low
Move it as lâ€™™ m showinâ€™™ you
This beat makes ya wanna more
Yeah, my nameâ€™™ s MBeyeline
I feel the music, feel the scene
You are playinâ€™™ now my game
And lâ€™™ m singinâ€™™ in my way

I do everything I want
I do all my stuff like that
Sometime I like teasinâ€™™ it
But I aint never losinâ€™™ it
I have every boy I want
I love him playinâ€™™ real hard
But if heâ€™™ s doinâ€™™ something wrong
I justâ€™™. Ha haâ€™™ break upâ€™™.
Itâ€™™ s not a problem
I can do it
I aint crying
I aint dying
I do everything I love
And I always feel above
All the tricks, all the brains
See, itâ€™™ s my V.I.P plane
That is takinâ€™™ me away
To a place where never rains
Everybody wonders now
What is next, lâ€™™ m tellin: wow
Feel this music deep inside
In your heart and your mind
Itâ€™™ s like a one time dream

That makes the rhythm scream
It's the challenge you desire
Cause your dance's like fire
But what I do
What I say
What I Dream
Where I stay
It's all my way
It's all my way
My-my way
My-my way

Chorus!

MB is me, I'm on da line
I make it brilliant
I make it shine
I know what's the best for me
I'm a cutie
O.M.G.

I'm in love with this cool sound
It's so bright, there is no doubt
You better catch the rhythm now
Without fear, Without a fight
Involve your hands
Involve your legs
See, that's easy mon amie
If you walk it in, talk it in
then you're definitely free
Free to feel the way you want
Free to run, to jump it up
See, that's what I'm talkin' about
Feel it strong, and then chill out
But what I do
What I say
What I Dream
Where I stay
It's all my way
It's all my way
My-my way
My-my way

Chorus!

I do everything I want
I do all my stuff like that
Sometime I like teasin' it
But I aint never losin' it
I have every boy I want
I love him playin' real hard

But if heâ€™s doinâ€™ something wrong
I just have to do it: break upâ€¦
Itâ€™s not a problem
I can do it
I aint crying
I aint dying
I do everything I love
And I always feel above
All the tricks, all the brains
See, itâ€™s my V.I.P plane
That is takinâ€™ me away
To a place where never rains
But what I do
What I say
What I Dream
Where I stay
Itâ€™s all my way
Itâ€™s all my way
My-my way
My-my way

Chorusâ€¦

What I do
What I say
What I dream
Where I stay
What I feel
Whom I deal
Itâ€™s all my way
Itâ€™s all my way
What I do
What I say
What I dream,
Where I stay
What I feel
Whom I deal
Itâ€™s all my way
Itâ€™s all my way
