Hell yeah

[Verse 1]

I just got the call I jump in my car; no I won't be staying  
in tonight

There's a party going on down by the river, we'll be  
hanging by firelight

Yeah we're gonna crank those speakers up and dance  
till we fall down

Cause we can make as much noise as we like yeah out  
beyond the lights of town

We might do a little moonlight fishing  
We might get nude and go skinny-dippin'

[Chorus]

Singing hell yeah and we get a little crazy

We sing hell yeah oh slide on over baby

Singing hell yeah drinking ice cold beer and Bundy

We sing hell yeah, and we say,

Hey hey hey hey hey hey

[Verse 2]

No you won't find me in a pin stripped suit in an office  
on the 7th floor

Big bad city well it's hard breathe, when you're country  
to the core

I'd rather be out where I can see for miles,

with my friends yeah swinging on a rope

There ain't nothing better when we get together,  
singing hell yeah here we go.

Find a little mud and spin our tires

Find me a girl and get a little wild

[Chorus]

Singing hell yeah and we get a little crazy

We sing hell yeah oh slide on over baby

Singing hell yeah drinking ice cold beer and Bundy

We sing hell yeah, and we say,

Hey hey hey

We might do a little moonlight fishing  
We might get nude and go skinny-dippin'  
Find a little mud and spin our tires  
Find me a girl and get a little wild

[Chorus]

Singing hell yeah and we get a little crazy  
We sing hell yeah, won't you slide on over baby  
Singing hell yeah, drinking ice cold beer and Bundy  
We sing hell yeah, and we say,  
Hey hey hey hey hey hey

We're singing hell yeah, hell yeah
