[Verse 1]

I'm not sure of a lot of things
Yeah it's hard to know these days
Fuel goes up, stocks come down
And savings slip away
And who knows come next Monday
I may not have a job
Yeah I'm not sure of a lotta things
But there's a few I am sure off

[Chorus]

I know who my friends are, can't put a price on that
Know if I give you my word and I shake your hand
It's better than any contract
I ain't afraid to work hard, I know where I hang my hat
Know if trouble comes knocking at my front door
I know who's got my back
Yeah I'm not sure of a lotta things but I'm sure of that

[Verse 2]

It seems like every day you wake up
Yeah there's one more hill to climb
Another bill to pay, and the headlines say
We're heading for hard times
I don't know what's coming
But I know where I come from
Yeah I'm not sure of a lotta things
But I know the battle's won

[Chorus]

I know who my friends are, can't put a price on that
Know if I give you my word and I shake your hand
It's better than any contract
I ain't afraid to work hard, I know where I hang my hat
Know if trouble comes knocking at my front door
I know who's got my back
Yeah I'm not sure of a lotta things but I'm sure of that

I don't have all the answers,
But when it's all said and done

[Chorus]

I know who my friends are, can't put a price on that

Know if I give you my word and I shake your hand

It's better than any contract

I ain't afraid to work hard, I know where I hang my hat

Know if trouble comes knocking at my front door

I know who's got my back

Yeah I'm not sure of a lotta things but I'm sure of that

I'm sure of that

Yeah, I'm sure of that
