GO, Go-o-o-o, Go-o-o-o-o, Go-o-o-o-o. Go Go GO!  
Go-o-o-o, Go-o-o-o-o, Go-o-o-o-o. Go go.

Sierra: Everywhere I go I hear the echo of a roar that  
keeps rising, on the horizon (yea).  
Walking down the street I feel the energy the world is  
commanding, the spaceship is landing.  
Now there's no going back back back back back.  
No there's no going back back back back back.

Chorus: I don't see red lights, I just see Go. I don't  
do stop signs, I don't hear no.  
Jump and don't look down, that's how you fly.  
There's no turning back now, it's win or you die.  
Don't be scared just  
Go x16  
Don't think about it  
Go x16

China: Everyone I know feels like the planet's spinning  
faster and faster, straight for disaster. (nooo)  
Shining through the pressure 'cause the way we deal  
with it will define us. Pressure makes Diamonds.  
Now there's no going back back back back back.  
No there's no going back back back back back.

Chorus: I don't see red lights, I just see Go. I don't  
do stop signs, I don't hear no.  
Jump and don't look down, that's how you fly.  
There's no turning back now, it's win or you die.  
Don't be scared just  
Go x17  
Don't think about it  
Go x17

Lauryn: I feel it in the air tonight, I'm saving my life...  
In the dark igniting.  
And no one's stopping me now. I'm living my dream,  
and your all invited!

Chorus: I don't see red lights, I just see Go. I don't

do stop signs, I don't hear no.  
Jump and don't look down, that's how you fly.  
There's no turning back now, it's win or you die.  
Don't be scared just  
Go x17  
Don't think about it  
Go x17  
(Go where you go)x4  
Go go go!  
Go-o-o-o, Go-o-o-o-o, Go-o-o-o. Go Go GO!  
Go-o-o-o, Go-o-o-o-o, Go-o-o-o
