[Verse 1:]

Hey hey hey come on
Drop the beat on us all night long
Cause we're jonasing for a song
So intense that it can't be wrong
DJ some bass
Hit the button initiate
Crank it up no time to waste
We already took the bait
We see you in your booth
You're the puppeteer so make us move
You know my song so better get it on
We need a new extreme music cool as our attitude
You know my song so better get it on

[Pre-Chorus:]

Watch ya doing when there's a situation
Ticking like a bomb it's about to blow
We know you got the song
Bring it on baby let it go

[Chorus:]

All the boys say wind it up
All the girls say wind it up
All the girls say wind it up
All the boys say wind it up
More come on and give us more
Drop the beat as Sharp As A Razor
Sharp As A Razor
All the boys say wind it up
All the girls say wind it up
All the girls say wind it up
All the boys say wind it up
More come on and give us more
Drop the beat as Sharp As A Razor

[Verse 2:]

I slip it on the night
On the invitation in the lights
Wanna live it
Wanna breathe it in
The hunger of the crowd
Dying to kiss the world goodbye
Wanna live it
Wanna breathe it in

[Pre-Chorus:]

Watch ya doing when there's a situation
Ticking like a bomb it's about to blow
We know you got the song
Bring it on baby let it go

[Chorus:]

All the boys say wind it up
All the girls say wind it up
All the boys say wind it up
All the girls say wind it up
More come on and give us more
Drop the beat that's Sharp As A Razor
Sharp As A Razor
All the boys say wind it up
All the girls say wind it up
All the girls say wind it up
All the boys say wind it up
More come on and give us more
Drop the beat as Sharp As A Razor
