(China)

I never knew I lost ya till I found ya  
And I never guessed how close you were to me  
And now I wanna throw my arms around ya  
Tell a thousand tales that will outstand ya  
Everything about ya tells me this was meant to be,  
don't you see

(All)

I'm on your side  
Let's take this ride  
And together were facing the world  
Doing things nobody's done before  
And the great divide  
Doesn't seem so wide, anymore

(Sierra)

I can't recall what life was like without ya  
Now it feels as though we never been apart  
Tell me every time you think about ya  
Anything you'll say I'll never doubt ya  
We're meant to be together I can feel it in my heart  
It's just the start

(All)

I'm on your side  
Let's take this ride  
And together were facing the world  
Doing things nobody's done before  
And the great divide  
Doesn't seem so wide

(Lauryn)

And if you be there beside me when I fall down  
(Sierra & China)  
(You'll be there beside me when I)  
Then whatever comes I know will take it all inside  
(Sierra & China)  
(Take it all inside)

(All)

I'm on your side

The great divide  
It doesn't seem so wide  
I'm on your side  
(On your side)  
Let's take this ride  
(Take this ride)  
And together were facing the world  
Doing things nobody's done before  
(Never done before)  
And the great divide  
(And the great divide)  
Doesn't seem so wide
