When I was seventeen  
I was holding on to all my teenage dreams  
And hoping that my life would soon begin  
Knowing you would fit right in

Then when I turned twenty five  
I met a girl who I thought would change my life  
But troubles always there and we couldn't quite get  
it right  
The girl I enjoyed almost every night

We used to say  
Get up, get up, get up  
It's like we could not get enough  
We were the best that we can be  
We were heroes overseas  
Saving ourselves from all and all and all things

And when I turned twenty eight  
I kissed a girl at a gig and before she was just my mate  
It's funny how a friend can turn into something  
great  
We never even ended up going on our very first date

We used to say  
Get up, get up, get up  
It's like we could not get enough  
We were the best that we can be  
We were heroes overseas  
Saving ourselves from all and all and all things

Get up, get up, get up!!!!  
It's like we could not get enough  
We were the best that we can be  
We were heroes overseas  
Saving ourselves from all and all and all things

Get up, get up, get up, get up!!!!  
Get up, get up, get up, get up!!!!  
Get up, get up, get up, get up!!!!

Get up, get up, get up!!!!

Get up, get up, get up!!!!
