He filled me, yes he filled me ,he raised me, he saved
me got a new tongue that he gave,and i got a new
heart that he made me .When i wake up in the morning
I'm so thankful for that moment,yeah.

Got to labor in his vineyard till he comes yeah
he is soon to come i can't leave with my work undone
x2

I've been chosen for this gospel I'm his witness his
apostle gotta bring light into darkness gotta show love
to a world thats heartless,he is soon to come i can't
leave with my work undone.

Got to labor in his vineyard till he comes yeah
he is soon to come i can't leave with my work undone
x2

I give my life,my purpose is in Christ all that i am i woe
it to him for what he's done for me x4

Got to labor in his vineyard till he comes yeah
he is soon to come i can't leave with my work undone
x2

We've gotta work while its day because when night
comes no man can work.
