Take me to paradise  
I wanna go with you  
Such a beautiful life  
Let's fall in love me and you

Now put your hands in the air if you there is love  
All in the atmosphere take it in so much love  
Feel it rising high as it intensifies  
Love is all that I want  
Love is all that I need yeah

I you feel it baby feel it tonight  
Let your heart speak baby say it tonight  
Put your hands up put your hands up tonight  
If you're in love if you're in love tonight  
And if you feel it baby feel it tonight

Feel it tonight (2x)

Here's the key to my heart I wanna believe that you  
Will never break my heart  
Tell me where would I be without you

Now put your hands in the air if you there is love  
All in the atmosphere take it in so much love  
Feel it rising high as it intensifies  
Love is all that I want  
Love is all that I need yeah

I you feel it baby feel it tonight  
Let your heart speak baby say it tonight  
Put your hands up put your hands up tonight  
If you're in love if you're in love tonight  
And if you feel it baby feel it tonight

Let me into your arms  
I don't wanna be alone no  
So don't let me down tonight  
Let's fall in love

Put your hands up put your hands up tonight  
If you're in love if you're in love tonight

And if you feel it baby feel it tonight
