[Intro:]

Ain't nothing new nigga, just something new

[Verse 1:]

I never trust faith with my trust funds  
I keep it in a safe place nigga, lump sum  
Camera surveillance a bunch of fucking stun guns  
I'm a snare to the drum, burum-ba-bum  
Her bird's a hummer, son, I show her how we drum a  
drum  
She doesn't come for me, the bitch only say she come  
for fun  
What's up honey bun, wanna feel your tummy rum?  
Rumbling in a ring with pills to fucking numb  
Your system is my fucking dick dome  
Feel the friction of my children with down syndrome  
I'm rehearsin' for my funeral, triple six Roman  
numerals  
MellowHype musical, talking to wolves like Doolittle  
Think with a migraine like a fucking eye strain  
Drink bottles of champagne on a fucking biplane  
If it doesn't add up then ask the students my name  
I'm fucking Einstein, I'm sane

[Hook(x2):]

Knock, knock! Delivery, I'm the rhetorician  
Body decomposition, rippin' through your rhythms  
I suggest you stop and listen to this non-prescription  
Fuck your contradiction, this my composition

[Verse 2:]

Leprechaun, hexagon, I transform, Decepticon  
Rasputin, I'm half mutant, fuck financial aid, cash  
students  
I'm too pursuant to over-do shit, super fluent  
My flow is overheated, it needs coolin', shit  
Fuck being poor to return to the school and shoot it up  
While I shoot it like a porno bitch with cool whip  
I dive scuba, barracuda, shark water in Cuba  
Chicken head of the sea, but I don't fuckin' eat tuna  
I sneak her in my room like Puma  
My bedroom's Jerusalem and I'm Judah, suck on my

messiah  
Or die and cry a fire, truth is the curse of liars  
So is Mrs. Doubtfire, fat bitches, dope beats  
Is what my niggas acquire, if you're broke, get the cash  
Bitch I'm dope, do the math, triple six sipping through a  
golden flask  
Salute Mellowhype or mustard gas, I ain't gay but I'm a  
fuckin' ass

[Hook(x2):]  
Knock, knock! Delivery, I'm the rhetorician  
Body decomposition, rippin' through your rhythms  
I suggest you stop and listen to this non-prescription  
Fuck your contradiction, here's my composition
