[Intro]

Ain't nothing new n\*gga, just something new

[Verse 1]

I never trust faith with my trust funds  
I keep it in a safe place n\*gga, lump sum  
Camera surveillance a bunch of f\*cking stun guns  
I'm a snare to the drum, burum-bum-bum  
Her virgin homicide I show her how we drum-a-drum  
She doesn't come for me, the b\*tch only say she come  
for fun  
What's up hunny bun, wanna feel your tummy rum?  
Rumbling in a ring with pills of f\*cking numb  
Your system is my f\*cking dick-dom  
Feel the friction of my children with down syndrome  
I'm rehearsin' for my funeral, triple six are the  
numerals  
MellowHype musical talking to wolves like Dolittle  
Think with a migraine like a f\*cking eye strain  
Break bottles of champagne on a f\*cking biplane  
If it doesn't add up then ask the students my name  
I'm f\*cking Einstein, I'm sane

[Hook]

Knock, knock! Delivery, I'm the rhetorician  
Body decomposition, rippin' through your rhythms  
I suggest you stop and listen to this non-prescription  
F\*ck your contradiction, here's my composition

[Verse 2]

Leprechaun, hexagon, transform Decepticon  
Rasputin, I'm half mutant, f\*cked financially, cash  
students  
I'm too pursuant to over-do sh\*t, super fluent  
My flow is overheated it needs coolin' sh\*t  
F\*ck being poor and return to the school and shoot it  
up  
While I shoot it like a porno b\*tch with cool whip  
I dive scuba, barracuda, shark water in Cuba  
Chicken head of the sea, but I don't f\*ckin' eat tuna  
I sneak her in my room like Puma

My bedroom rules Jerusalem and I'm Judah, suck on my  
messiah

Or die and cry a fire, it's true, so is the curse of lying  
So is Mrs. Doubtfire, fat b\*tches and dope beats  
Are what my n\*ggas acquire, if you're broke, get the  
cash

B\*tch I'm dope, do the math, triple six slipping through  
a golden flask

All hail Mr. Mustard Gas, I ain't gay but I'm a f\*ckin' ass

[Hook]

Knock, knock! Delivery, I'm the rhetorician

Body decomposition, rippin' through your rhythms

I suggest you stop and listen to this non-prescription

F\*ck your contradiction, here's my composition
