[Intro]

Yeah, I like this

Ha!

Melodic

Pretty Faces, Pretty Faces

All those Pretty Faces

[Verse 1]

You came here thinking I'd mend those pieces,

Of your broken heart,

And purify your spirit

Use my tears as the glue,

And my kiss to make it stick,

But I'm afraid this time,

I'll only disappoint you

Cause I've struck out,

I've had my chance at love (Love)

Then I fucked up,

And loneliness became me

Now I could try again,

Try a little bit harder,

And make broken promises,

But it's hard to commit to this

[Chorus]

It's so hard to stay faithful,

With all these Pretty Faces,

All these Pretty Faces,

Screaming my name

It's so hard to stay faithful,

With all these Pretty Faces,

All these Pretty Faces,

Screaming my name,

They keep calling for me

[Verse 2]

I know you came here with pure intentions

You wanted a man to keep you protected

But baby that can't be me,

At least not this time

I'm sorry to disappoint,

And it's hard to say why (Hard when)

When you didn't know me (But back then)
We was just homies (Was just friends)
But we played in the sheets when,
Her and I were freakin'
And I don't wanna hurt you the way I've hurt her
(And it's so hard) It's so hard to explain
But listen anyway, yeah

[Bridge]

I wanna tell you cut it out,
Stop living in your fantasy,
But no one can blame you girl,
Anyone in your shoes might fall for me
This time will God show us favor,
(I hope so, I hope so),
Or will I let temptation run free (Free)
It's so hard (So hard)
It's so hard (It's so hard)
It's so hard
So hard
For me
