You're dangerous 'cause you're honest  
You're dangerous, 'cause you don't know what you  
want  
Well you left my heart empty as a vacant lot  
For any spirit to haunt

Hey hey sha la la  
Hey hey

You're an accident waiting to happen  
You're a piece of glass left there on the beach  
Well, you tell me things I know you're not supposed to  
Then you leave me just out of reach

Hey hey sha la la  
Hey hey sha la la

Who's gonna ride your wild horses?  
Who's gonna drown in your blue sea?  
Who's gonna ride your wild horses?  
Who's gonna fall at the foot of thee?

Well you stole it 'cause I needed the cash  
And you killed it 'cause I needed revenge  
Well you lied to me 'cause I asked you to  
Baby, can we still be friends?

Hey hey sha la la  
Hey hey sha la la

Who's gonna ride your wild horses?  
Who's gonna drown in your blue sea?  
Who's gonna ride your wild horses?  
Who's gonna fall at the foot of thee?

Come on now love, don't you understand

Who's gonna ride your wild horses?  
Who's gonna drown in your blue sea?  
Who's gonna taste your salt water kisses?  
Who's gonna take the place of me?

Don't turn around, don't turn around  
Don't turn around, your gypsy heart  
Don't turn around, don't turn around again  
Don't turn around, don't turn around

Don't look back.
