I've got alot to say, its gonna take a while, i think that you should know, that i've got to go, everythings a mess, whys it so complex, its my life, im gonna do what I like

So you know that im not home, so dont pick up the phone, is this as good as it gets, im gonna do what I like, I got alot to do, and it does'nt involve you, is this as good as it gets, im gonna do what I like!

You think that your right, when your wrong, its my night, im gonna do what I like, you go your way, and i'll go mine, so we dont waste anytime, is this as good as it gets!

So you know that im not home, so dont pick up the phone, is this as good as it gets, im gonna do what I like, I got alot to do, and it does'nt involve you, is this as good as it gets, im gonna do what I like!

So you know that im not home, so dont pick up the phone, is this as good as it gets, im gonna do what I like, I got alot to do, and it does'nt involve you, is this as good as it gets, im gonna do what I like!
