I Will Be Ready Then
From the album Beautiful Dawn

Time...races on
The world spins so fast
All I see is past
When...will it end
Is there more to climb
Am I out of time
Help my lamp light
Keep burning bright and pure
I will remain true to the faith
That when He comes again
I will be ready then

Chorus:
I will be ready then
When He comes again
I will be ready then
When He comes again
I'll be ready then
Take...one day at a time
Keep my heart set close
To what matters most

Give...every chance that I get
Set the world aside
Leave it all behind
Help my lamp light
Keep burning bright and pure
I will remain true to the faith
That when He comes again
I will be ready then

Chorus

Bright is the new day,
The sun is rising.
Help me to find someone in need,
Who's crying for help, please send me...

Chorus
