Aint No Messing Around  
There's A New Force In Town  
Aint No Fooling Around  
With what we do

When you deal with us  
You only deal with the truth  
Cos the truth will  
set you free  
Heyhey

Standing in the dark  
Looking for answers  
You never seem to find  
Going Around  
With the legacy crowd  
Oh we move  
Move to the music  
And we dance  
With This powerful sound

Aint No Messing  
There's A New Force  
In town  
Aint No Fooling Around  
With what we do

They never give up  
on their dreams  
But first they had to  
learn  
To live life  
On life's terms

That's what they do  
They teach you respect,  
integrity, love and compassion  
That's what they do

Aint No Messsing  
Aint No Messing

Aint No Messing Around  
Aha  
Aint No Messing Around

Oh Yeah!!
