She's young yet mature
He's old and insecure
The one chose
Righteousness
The other
Ruthlessness
He plays the big shot
While she knows the plot

They are two faces in a crowd
CHORUS:
Two strangers in a crowd
Two faces standing out

While she has identity
He has intensity
While she evolves
His whole life stalls
Stumble and falls

There's hope for her
For him not so sure
But she grabs his hand
Like a real friend
And make him stand

CHORUS:
Two strangers in a crowd
Two faces standing out
Two strangers in a crowd
Hoo hoo hoo hoo
Two faces standing out

Ooh ooh ooh hoo ooh hoo

She learned her lessons well
While he stumbled on
But she lifted him up
And gave him hope again
Two faces different lives

Two faces in a crowd
Two strangers making out
Two two two two
Faces in a crowd
Two two two two
strangers making out
Two two two two
faces standing out
Two two two two
Strangers making

Oohoohoohoo
Oohoohoohoo
Ohhohoo
Hooooo
