I gave you my heart,
My soul
Your heart's desire
I tried my best
To give you respect
Better than the rest
To make you happy
Make you smile again

Don't let me sweat
Tell me the truth
Don't keep your cards
Close to your chest

Just let it out out

CHORUS:
Oh why do you have
a beef with me?
And I wonder why
You treating me so bad
Still you pulling
Away from me
And I don't know
What to do.. without you

You going your own
Separate way
Issit for the last time?
You said I lift you up
Make you grow inside

Help me out here
Just tell me girl
Don't fool around
Just tell the truth

And spit it out out

CHORUS:
Ohoh why do you have
a beef with me?

And I wonder why
You treating me so bad
And why you pulling
Away from me
And I don't know what to do
Without you

Oh girl
Give me the reason why
And I don't know where to go ..from
here..drag

Gimme another chance. Ahh

Tell me
why you have a beef with me (2)

CHANGE OF KEY:

Don't let me sweat
Tell me the truth
Don't keep your cards
Close to your chest

And let it out..

CHORUS:

Ohoh why do you have
a beef with me?
And I wonder why (why why)
You treating me so bad
And why you pulling
Away from me
And I don't know what to do
On my own

REPEAT CHORUS:

Ohoh why do you have
a beef with me?
(Oh why oh why)
And I wonder why
You treating me so bad
Oh why Oh Why
And why you pulling
Away from me
And I don't know what to do
On my own

Why why why why why why
Why why
