[Hook]

Voices in the air
I hear them loud and clear
Telling me to listen
Whispers in my ear
Nothing can compare
I just wanna listen

[Verse 1]

As my, world turns
The heart beats
Not only in my chest
But the heart of the streets
So when they feel this, they feel me
But I can't feel nothin', outside these dre beats
I am from the city of people who came from the bottom
Standing on top of what was supposed to be my coffin,
whats up?
Except for shows we are the dead man walkin', but
reflections show the kid's still got it
Better be known I got the throne like I don't know that
there's a king
Never grew up around a family because I'm not a
human being
And anyone under my bubble that's coming in my spot,
the top
Better stop it, cause when I leave, the whole world
drops
Lace up Kells

[Hook]

I hear voices in the air
I hear em' loud and clear
Telling me to listen
Whispers in my ear
Nothing can compare
I just want to listen
Telling me I am Invincible (3x) - oh oh
Telling me I am Invincible (3x) - oh oh I am

[Verse 2]

Waking up sweatin from the stress of being caged out

Everything I write is played out like what is this ?
Tear the whole page out
Man I come from clothes on the wall but they don't
know the path
Even if I told them at all they wouldn't know the half
So maybe I fill up my luggage with all these dreams
and pull on my black coat and my black chucks and
nothing in my jeans
It's just one , til the day come like Rocky's movie scene
And I'm on top of the world, look up the screen like this
is me this is Kells
Crucified by the public without the nails
Do or die in my city but clearly I never failed
Lost myself from the game when I found myself from
the cell
And I found myself from the fame when I lost myself to
the pills
And you cannot mess with me still , seen the boys and
they winnin
Underdogs of the year Cleveland boys in the buildin'
What the fuck is a ceiling I'm taking us to the top, and
when I leave the whole world drops Lace Up Kells

[Hook]

I hear voices in the air
I hear em' loud and clear
Telling me to listen
Whispers in my ear nothing can compare
I just want to listen
Telling me I am Invincible (3x) - oh oh
Telling me I am Invincible (3x) - oh oh I am
