[Chorus:]

Runnin' Runnin' I ain't running away [x3]
Cause, I'm so tired of Runnin'

[Verse 1: MGK]

I'm so tired of running, that I've worn my soles
Out, to the point that my toes is out, to the point that I
can't look back
And even if I did I still couldn't see where I started out,
can't see home
For miles, I'm
Lost like another orphan child, I'm only grinning cause
I'm supposed to
Smile, so I do it for the ones that are down and out
proud one of their's
Is gonna be
A spokesman now, and I'm still running, running, but I
don't know where,
All I got to my name is one pair, of laced up chucks, 5
bucks, and a chip
On my
Shoulder that's so big that I cannot bare, I done lost my
friends, family,
And home for this, and for that I have lost my mind,
kept my faith, lost my
Direction
I'm just hoping that I haven't lost my time, Go!

[Hoo: k]

I keep my head up, with my feet on the ground, From
the bottom so up is the
Only place that I'm
Going, Ready to face what's in front of me now, Cause,
I'm so tired of
Runnin' I'm walking through the fi re, cause their is no
way around, Moving
In the same
Direction wherever the wind is blowing Ready to face
what's in front of me
Now, Cause

I'm so tired of Runnin' Runnin' I ain't running away [x3]
Cause, I'm so
Tired of Runnin'

[Verse 2:]

I'm so tired of struggling, I'm so tired of hustlin, I can
feel my heart fi
Li with hate, I'm so tired of loving, I was supposed
To be great, I'm so tired of duckin, Tired of coming
home from my job being
Fi red from nothing, And shit I'm tired, from the nights
a muthafucka took
That
Ride, to make that dream come alive, then wake up in
the morning to a 9 to
5, but I gotta do it if I wanna survive, because in the city
where I'm from
It's
Either do or die, so choose it wise because you could
lose it in the blink
Of an eye but even in the darkest times it's proven I

[Hook:]

I keep my head up
With my feet on the ground, From the bottom so up is
the only place that
I'm going, Ready to face what's in front of me now,
Cause, I'm so tired of
Runnin'
I'm walking through the fi re, cause their is no way
around, Moving in the
Same direction wherever the wind is blowing Ready to
face what's in front
Of me

Now, Cause, I'm so tired of Runnin' Runnin' I ain't
running away [x3]
Cause, I'm so tired of Runnin'
