From the bottom of the ash I rose
To the top I go Where Iâ€™m from it's cold
But I donâ€™t need this coat, keep my sleeves rolled
Got my cityâ€™s area code on my shoulder, 216 forever
in my soul
Swear to God every single night it's gets colder
No heat so we all around that stove like
â€™Fuck this broke shitâ€™, petty ass hustlin, couldnâ€™t
even sell one zone
Slim still workin at the store and the only time we ever
get to eat is when he brings something home
Everydays dark here, prayin for a rainbow to lead us to
that pot of gold
And exchange those nights on a concrete floor for a
bottle of Rose to pop that bitch off like we suppose to
Never gave a fuck if we went gold, I just wanna be able
to say that I made it
Causeâ€™ real EST mufuckas donâ€™t fold, Real EST
mufuckas don't break up
Eal family grows old, Real EST mufuckas representing
for the city where they came even when they gone
And Fuck this throne, ainâ€™t no kings, No pretty
princess, ainâ€™t no queen
No fairy tale endings on the Eastside, just these broken
homes and those screams
Broken bones underneath these jeans, Broken bricks
cover up my streets
Fiends outside trying to get their fix, while my first born
in here trying to get sleep
Muthafuck this rap shit, try burying your boy 6 feet let
me show u bout real
Try telling me that u canâ€™t make it up out the city 26
dollars to multi-millâ€™s
Face inside of the XXL, then try coming back to the
Eastside still
Well bitch I did, and it's still the kid, labeled a Bad Boy
before this deal
What up Slim, Dub, Xplo, Dre, Swirv, Ash, my boy BK
And everybody from the beginning that bled with me
knowin I would be here one day
So as I roll through all the hoods that raised me,

Looking at the house of pain
Iâ€™ma runaway from the ones that pay me hopin Iâ€™ll
stay the same, canâ€™t u save me?
