Caught in between  
somewhere this and there  
convincing myself that I can get over it  
convincing myself to pick up the phone  
that I'm never leaving home

Caught in between  
somewhere this and there  
convincing myself that I can get over it  
convincing myself to pick up the phone  
that I'm never leaving home

Who and why  
What and when

My heart or my love and my time is giving into  
convincing myself that  
I don't know  
you are anything  
anything at all  
I don't know  
you are anything  
anything at all  
I don't know  
you are anything  
anything at all  
I don't know  
you are anything  
you are anything

Caught in between  
somewhere this and there  
convincing myself that I can get over it  
convincing myself to pick up the phone  
that I'm never leaving home  
home
