Here's all that I have to give  
I'll admit it's not a lot,  
but it's all that I've got  
to hang myself with  
in hopes that you'll take notice of me  
I've been waiting  
so long  
up in these trees  
trying to hang myselfs with  
thoughts of you  
thoughts of me  
I've been wishing so long  
why can't you see?

Here's all that I have to give  
I'll admit it's not a lot,  
but it's all that I've got  
to hang myself with,  
in hopes that you'll take notice of me  
I've been waiting so long  
up in these trees  
trying to hang myself with  
thoughts of you  
thoughts of me  
I've been wishing so long, why can't you see me?

Here's all that I have to give  
I'll admit it's not a lot,  
but it's all that I've got  
to hang myself with,  
to hang myself with,  
in hopes that you'll take notice of me  
I've been waiting so long  
up in these trees  
trying to hang myself with  
thoughts of you  
thoughts of me  
I've been wishing so long, why can't you see?
