There are things  
That I say  
That don't mean a thing anyway

There are things  
That I say  
That don't mean a thing anyway  
They don't mean a thing anyway

And don't you  
don't you forget about me  
forget about me  
And don't you  
don't you forget about me  
forget about me  
forget about me

And there are things  
That I do  
That don't mean a thing anyway

There are things  
That I do  
That don't mean a thing anyway  
They don't mean a thing anyway

And don't you  
don't you forget about me  
forget about me  
And don't you  
don't you forget about me  
forget about me  
And don't you  
don't you forget about me  
forget about me  
And don't you  
don't you forget about me  
forget about me  
forget about me

Don't you

don't you forget about me  
forget about me  
Don't you  
don't you forget about me  
forget about me  
Don't you  
don't you forget about me  
forget about me  
Don't you  
don't you forget about me  
forget about me
