I'm running out of patience  
to be fucking with this now  
you better believe me when I say  
this now

I'm packing up my nightmares  
and I'll be on my way  
you better find me some time  
when you have more to say

I'm running out of patience  
to be fucking with you now  
you better believe me when I say  
this now

I'm packing up my nightmares  
and I'll be on my way  
you better find me some time  
when you have more to say

I'm packing up my nightmares  
and I'll be on my way  
you better find me some time  
when you have more to say

I'm running out of patience  
to be fucking with you now  
you better believe me when I say  
this now

I'm packing up my nightmares  
and I'll be on my way  
you better find me some time  
when you have more to say

I'm running out of patience  
to be fucking with you now  
you better believe me when I say  
this now

I'm running out of patience
