two and a three and a four and a

Through the yard
Through the yard of blonde girls
oh, through the river and the sea
gold sharks, glittering
a tree of white
breaks the earth
the streets where lola played
very sexy, very sexy, okay, okay

fear we may come
fear we may come
fear we may come
fear we may come
so run, run, run, run

it's in your heart
it's in your heart and your beauty
and even in this world of lies
this purity
you've got innocence
in your eyes
and even in this world of lies
you're still hopeful
very sexy, okay, okay

fear we may come
fear we may come
fear we may come
fear we may come
so run, run, run, run

Through the yard
Through the yard of blonde girls
oh, through the river and the sea
gold sharks, glittering
a tree of white
breaks the earth
the streets where lola played
very sexy, very sexy, okay, okay

fear we may come
fear we may come
fear we may come
fear we may come
so run, run, run, run
