When I walk on water you hear the steps sing/
Rain drops hit soft
As gods best beats/
Behind these bars I'm set free/
Tom Cruise'd oceans trying to catch me/
Nope
Too fly for the ground work/
Tough as big Red
Sweatin out his Motown perm/
Relax
stay focused on my verse/
Let 'em massage ya back to when skills did matter/
I flow too close for you to build castles/
On the edge
Out of sand/
Who can fuck wit him? No not a man/
Hood sharp like blades on radomez/
We cut juice drippin
Kick Sun Tzu lyrics/
Book favorites all print called new edition/
That best seller since Satan himself/
Who knew my cold heart was able to melt/
Now outside the flowers play loud tunes/
Picture mushrooms
As a crowd flute/
Blum, Blum, Blum, Blum,Blum,Blum,Blum/
What is that dope style you've brung/
Please pardon the technique/
Ya bars taste softer then Nestle/
No jaw pressure/
Yeah this me sitting on a mountain
In a god sweater/
Gangis Rhyme
Self made clothes look like todays fly/
Black David Spade guy/
More then imagine
This went from Bloodsport to course wagon/
On tour hitting your palace/
No notta dork rapper/
So well proportioned
Dick swing like Thor's hammer/
Darth apprentice

Now Battle Droid Master
who points heading toward Saturn/
