"Goodbye"

We're used to our activities
That we used to do
But now we have to move on
And try something new

(pre-chorus)
And everything will change
In every single way
I'll see you again
I know we'll still be friends

(chorus)
Today is the last day
We're ready to go
Out in the sun
walking away-ay

Goodbye to our friends
Goodbye to the past
Goodbye to the known
So let's make it last
Forever-er
Ohhhhhh

And everything will be different
Our lives without each other
I'll miss you guys, I know
We're close as sisters or brothers

(pre-chorus)
(chorus)

(rap)
I wouldn't exist
If I didn't have my friends
They're always there for me
And they care until the end
I'll miss you, everyone
But I'll see you guys again
Put your hands in the air
Everyone, REPRESENT!!!

(chorus)
