You say you're unhappy
And you don't know why
But it makes me unhappy not to see you smile

You give me an inch
And I'll take a mile
Let me have your troubles, put them all outside

I would cheat the world
But I would never cheat you

You threw me on my ass
And I don't know why
But if it all made sense, I'd probably see your side

You've been gone for two years
And it changed my life
I'm coming back to town and not to say goodbye

And I wrote this song
And it's a simple song for you

Can't you see you're the one for me in my life
Can't you see you're the one for me in my life

What's wrong with me
Is what's wrong with you
You can bring me down with one shift of your mood

You don't know what you want
But I know I want you
I'm sorry if you hurt. Well, I do too.

I say beauty is truth
And you're beautiful to me

Maybe I'm selfish
You're a bit unforgiving
I'd break my back if I could have you singing

Singing a tune
About me and you

And all the silly shit that we could end up doing

And I wrote this song

And it's a simple song for you

Can't you see you're the one for me in my life

Can't you see you're the one for me in my life

Can't you see you're the one for me in my life

Can't you see you're the one for me in my life

Doh, duh-doh, duh doh, duh doh

Doh, duh-doh, duh doh, duh doh
