Come to me caterpillar
Come to me while I sleep
If all the sad nights are over
Then why do you weep?

Donâ€™t you cry caterpillar
Dry your eyes for me
Whose been taking over
And stopping your heart beat?

Go back to your home
Take time off, be alone
In bed, you shed your skin
And wake up for more bullshit again

Go to sleep caterpillar
Cuz sleep is all you need
Put yourself in a coma
And see yourself with me

Get used to it caterpillar
Get used to feeling weak
No one wants your letters
Youâ€™ve been writing in your dreams

Go back to your home
Take time off, be alone
In bed, you shed your skin
And wake up for more bullshit again

Good for you caterpillar
The world can finely see
Youâ€™re a beautiful creature
Whose needs we cannot meet

For the first time caterpillar
You got back on your feet
Donâ€™t you go and blow it
On the first little guy you meet

Go back to your home
Take time off, be alone

In bed, you shed your skin
And wake up for more bullshit again
