I'm a nice guy
I wear my heart on my sleeve
And day after day
I'm tired of being lonely

So if you feel like I do
Like I know that you do
You can be my baby
Be my baby

I'm a nice guy
I put you before me
I can't help to think
How things could be

If I were closer to you
Would you love me too?
And be my baby
And be my baby

And oh, what will I do
That I'll push you away?

I'm a nice guy
I won't break your heart
Like those other jerks
That like to tear you apart

If God could send me to you
Then I would save you
You could be my baby
Be my baby

I'm a nice guy
But you drive me insane
If I can't make you happy
Then why do I sing

Every song to you
As if I knew
You could be my baby
And be my baby

And oh, what will I do
Thatâ€™ ll push you away?
