Well mama
Iâm™ m sorry I keep you up night
I donât™ t call after a flight
But I always call to apologize
I can only take it one step at a time

Well mama
I can picture you waiting by the door
Smoking cigarettes and pacing back n forth
Go to bed for just a little while more
And know that everything will be alright

Well mama
I donât™ t got no job
And thatât™ s alright by me
I got plenty of friends
And thatât™ s all we can be
I got my guitar
And my girl, you see
And lâ€™™ m just so happy to be me

Well mama
lâ€™™ mma be alright

Well mama
I donât™ t got no kids
So lâ€™™ mma carry on just the way I am
I want to see the world for how it is
I can only take it one step at a time

Well mama
Sometimes I need to be me
If I wanna make mistakes well thatât™ s on me
I wanna make new friends and be happy
And know that everything will be alright

Well mama
I donât™ t got no job
And thatât™ s alright by me
I got plenty of friends
And thatât™ s all we can be
I got my guitar

And my girl, you see
And I'm just so happy to be me

Well mama
I'mma be alright
