Seven little letters don't make my name  
I'm like a whole bunch of people but I'm not the same  
You got michael the angel and the king of pop,  
Now you're stuck with me, I won't stop.

Six figure numbers won't make your fame  
Yeah you might be a player but you still lose this game  
Go smoke this thing quick while you still got that buzz  
Now go throw up your hands like you're sick

'Cause ya'll know I'm crazy, c-c-c-crazy  
You don't even know me but you still try to save me  
Ya'll know I'm crazy, yeah I'm losing my brain  
In a half-baked world where it's mad to be sane

Woah no, five, four, three, two,  
One show left to show you what I do  
'Cause that's my work week, I'm paid to be quirky  
To show you what you know, oh no you know that we're  
going so crazy  
It's simply amazing how the pills that I'm taking are  
swallowing me  
I simply can't take this, this pain is outrageous  
I'm going I'm going I'm going I'm gone

Ya'll know I'm crazy, c-c-c-crazy  
You don't-you don't-don't even know me but you still try  
to save me  
Ya'll know I'm crazy, yeah I'm losing my brain  
In a half-baked world where it's mad to be sane

'Cause ya'll know I'm crazy, c-c-c-crazy  
You don't even know me but you still try to save me  
Ya'll know I'm crazy, yeah I'm losing my brain  
In a half-baked world where it's mad to be sane

'Cause ya'll know I'm crazy, c-c-c-crazy  
You don't even know me but you still try to save me  
Ya'll know I'm crazy, yeah I'm losing my brain  
In a half-baked world where it's mad to be sane

[Instrumental]

'Cause ya'll know I'm crazy, c-c-c-crazy  
You don't even know me but you still try to save me  
Ya'll know I'm crazy, yeah I'm losing my brain  
In a half-baked world where it's mad to be sane

'Cause ya'll know I'm crazy, c-c-c-crazy  
You don't even know me but you still try to save me  
Ya'll know I'm crazy, yeah I'm losing my brain  
In a half-baked world where it's mad to be sane
