Oh Grace my dear,

You needn't have such fear

I am here, and I will never leave you

You and I will yet abide and fly away, fly away

Oh my Grace

Oh my Grace

Oh my Grace

Oh Grace my love

I have a plan for you

Of grace and love

It's great freedom and good news

And it comes from above

From the writer of the right

Hearts of darker form

Burn the brightest when they ignite

Oh Grace my dear (oh grace my dear)

You needn't have such fear (you needn't have such fear)

I am here, and I will never leave you

Oh Grace my dear (oh grace my dear)

You needn't have such fear (you needn't have such fear)

I am here, and I will never leave you

Oh Grace my dear (oh grace my dear)

(Oh Grace, oh Grace, oh Grace, oh Grace)

You needn't have such fear (you needn't have such fear)

(Oh Grace, oh Grace, oh Grace, oh Grace)

I am here, and I will never leave you

(Oh Grace, oh Grace, oh Grace, oh Grace)

Oh Grace my dear (oh grace my dear)

(Oh Grace, oh Grace, oh Grace, oh Grace) (You and I)

You needn't have such fear (you needn't have such fear) (will yet abide)

(Oh Grace, oh Grace, oh Grace, oh Grace)

I am here, and I will never leave you (Fly away, fly away with me, oh)

(Oh Grace, oh Grace, oh Grace, oh Grace)

[Repeat x5]

Oh Grace, my dear.
