Just five minutes ago I swear I saw the girl of my dreams  
She made her way down 18th avenue, south  
Well I said what do you know thatâ€™s where Iâ€™m going too if youâ€™re free  
Letâ€™s skip the front and try out something new

I say hi, how do you do,  
My name is Mike and I kinda like you  
I am wrong when I think Iâ€™m right  
And tune you out if you donâ€™t see quite like I do

Just five minutes I scared away the girl of my dreams  
I guess I must have said a little too much, oh no  
I just never believed my downfall would be honesty  
Well maybe thatâ€™s a way I can be quite naïve

So from now on, Iâ€™ll play it cool  
Talk about sports and being a tool  
And if she asks if I work out  
Iâ€™ll just say hey, I wrote a song about you girl

Maybe Iâ€™m confused, I thought that all that love was getting to  
Was seeing itâ€™s your point of view.  
I think I misconstrued what people really wanna see if itâ€™s not honesty.  
Well how much of love is not giving up,  
Is it chemistry or enduring all the worst of me,  
But as I walk down the street and dwell on these things  
The girl of my dreams returns to the scene.

She said Michael, you seem insightful  
But you gotta loosen up â€™cause your vibe is spiteful  
So donâ€™t you stress about what you say  
When itâ€™s ten percent of what you convey, oh  
Itâ€™s not all about the way you entertain  
How you act is not a game or done in vain

Okay, so what youâ€™re saying is cut back on my observations  
I hope that wonâ€™t make me explode,

Hello, that's Michael a la mode  
Yeah this is me at rest when I digress from  
mindlessness  
That's all you get
