You stare at me in my skinny jeans

You think I vandalize on the weekend

Well I've got big news, you're different too

It's just your point of view

You and I will always try to get along that's what I want

But there are still times that we'll both fail

You know I love you all I do

It's just sometimes we don't see eye to eye

~Cause I've got tattoos and you've got your t-shirts

I have some piercings, you have your weird things

It's sad that we don't have empathy

Or maybe we don't know how

We stare at you the dolls and the dudes

Individual people too opposed to see

The family tree we share so unaware that

You and I are so alike,

To you I'm what you are to me

So why don't we all agree there's no guarantee that

You and I won't disagree from time to time

As long as we can both depend on being friends

Cause you like tattoos and I like my t-shirts

Dolls have their earrings and I have more weird things
itâ€™s true

If only we knew how much we have

Without that we fall through â€” shoot

(Nah nah nah, Nah nah nah, Nah nah, Nah nah nah
nah, Oh)

Iâ€™ll try, letâ€™s try

(Nah nah nah, Nah nah nah, Nah nah, Nah nah nah
nah, Oh)

We gotta fight to get by

(Nah nah nah)

Ah, ah, ah, ah

Ah, ah, ah, ah
