(Gi-i-i-irls, gi-i-i-irls)

I won't forget, the year of '59  
Made all the hop, and had a swingin' time  
Movin' and a-groovin' with Mary Lou  
And, ooh, that Peggy Sue

That was a  
Very, very, very good year for girls  
A very, very, very good year for girls  
But, baby, since we met  
It's gonna be the best year yet

(Spoken)  
Well, '59 was great, we know, but  
How do '60 go

Oh, what a year, my heart was in a whirl  
'Cause everyday, I met a guter girl  
Call her up, make a date off we go  
But, baby, even though

That was a  
Very, very, very good year for girls  
A very, very, very good year for girls  
But, baby, since we met  
It's gonna be the best year yet

(Spoken)  
Well, now we know that year was fun, but  
How'd you do in '61

In '61, I had myself a ball  
That was the year, that really top'em all  
Barbara Joe, Sally Ann, Mary Jean  
And each one was a queen

That was a  
Very, very, very good year for girls  
A very, very, very good year for girls  
But, baby, since we met

It's gonna be the best year yet

But, baby, since we met  
It's gonna be the best year yet
