Slowly but surely you leave
Your mark on me

Silently stealing away
My sanity

'cos I've been watching you right from the start
Standing so near can you hear my heart...
Crying

Chorus
Everyday
I keep on waiting for a chance to
Give away
The love I save to you
Hard as I try
I'm getting closer but I can't get through

Swimming this river of doubt
On my own

Trying to read your mind...
Are you feeling alone

Baby the sun shining light in your eyes
Gives me a feeling I hope never dies
Baby

Chorus
Everyday
I keep on waiting for a chance to
Give it away
The love I save to you
Hard as I try
I'm getting closer but I can't get through

So little baby blue
Give me clue
Tell me you need me too...
It's now or never

You are on my mind
Give me a sign
Show you wanna be together
