In the midnight moonlight hour  
I'll be walking a long and lonely mile,  
And every time I do,  
I keep seeing this picture of you

Here comes my baby, here she comes now,  
And-a it becomes as no surprise to me  
With another guy,

Well, here comes my baby, here she comes now,  
Walking with a love,  
With a love that's oh so fine  
Never to be mine, no matter how I try

You never walk alone,  
And you're forever talking on the phone  
I try to call your name,  
But every time it comes out the same

Here comes my baby, here she comes now,  
And-a it becomes as no surprise to me  
With another guy,

Well, here comes my baby, here she comes now,  
Walking with a love,  
With a love that's oh so fine  
Never to be mine, no matter how I try
