I know I didn't call
But I'll be alone in a while
You know sometimes when I don't call
I'll still get along in a little while

I know sometimes I wonder
Sometimes I take too long
But I know where am headed
I know I'll be alone

I know I didn't call
But I'll be alone in a while
You know sometimes when I don't call
I'll still get along in a little while

(Mmmhh)(mmmhhh)

Ooohh I don't mean to leave you
When am up and am gone
You see I know where am headed
With you is where I belong

I know I didn't call
But I'll be alone in a while
You know sometimes when I don't call
I'll still get along in a little while
x2

Oooh I didn't mean to leave
But am coming alone in a little while
Woohh you know that sometimes I wonder
But I'll be alone oooh in a little while
Oooh yee I didn't mean to leave
I didn't mean to leave
But am coming alone oooh in a little while
Oooh yee and (you know) sometimes I wonder
But I'll be alone
I'll get along
