Oh, when I leave don't you cry  
When I'm dead and gone  
Will I hear you sigh?  
Who will lead me along?

Oh, when I've passed don't you cry  
When I'm long and gone  
Will I hear you sigh?  
Who will lead me along?

Just you live your every day  
Like you're running out of time  
Say the things you'll say  
Don't leave any word behind  
Try to find you something  
That won't fade away in time  
These are things I'll always see  
In a saint

Oh, when I'm lost don't you cry  
When I've gone away  
Will I hear you sigh?  
Who will lead me along?

Oh, when I'm sleeping don't you cry  
When I close my eyes  
Will I hear you sigh?  
Who will lead me along?

Just you live your every day  
Like you're running out of time  
Say the things you'll say  
Don't leave any word behind  
Try to find you something  
That won't fade away in time  
These are things I'll always see  
In a saint

Try to find you something  
That won't fade away in time
