Mama, let me go, I don't wanna stay
Hey, daddy, put your whip away-hey
I wish I was away, away, away
Hey, mama

Maybe I'm a loser, but I gotta say
Hey, I gotta try to break away-hey
I wish I was away, away, away
Hey, mama

Wouldn't I like to have my own mind
Living on my mind work out just fine

Ah, me and my life (Me and my life)
Ah, me and my life

Ah, me and my life (Me and my life)
Ah, me and my life

Mama, let me go, I don't wanna stay
Hey, daddy, put your whip away-hey
I wish I was away, away, away
Hey, mama

Wouldn't I like to have my own mind
Living on my mind work out just fine

Ah, me and my life
Ah, me and my life
Ah, me and my life (Me and my life)
Ah, me and my life (Me and my life)
Ah, me and my life (Me and my life, me and my life)
Ah, me and my life
