NEVER ENDING SUNRISE (1.06)

(Music and Words: Jascha Richter)

I see a world where each
Noisy highway leads to heaven
Just like in a fairytale
When I'm with you

And I see a place where the light
Of the morning shines forever like
A never-ending sunrise
When I close my eyes

She'll be mine
Forever and ever
All right - no one's gonna break it no one's gonna shake
it now
She's so fine
She'll be mine

She might have thorns
She's never worn
Not for me
But when we're close
I just sense the smell of a rose
It might be wrong
It might be right
But I give up without a fight
'Cause I have been waiting - waiting for her

When she comes I hear her say
Hold me close (to night) - we'll drift away (we'll drift
away)
All right - nothing's gonna change it nothing's gonna
change it now
She's so fine
She'll be mine
Forever and ever
All right - no one's gonna break it no one's gonna shake
it now

She's so fine
She'll be mine
All right - nothing's gonna change it nothing's gonna
change it now
She's so fine
She'll be mine
All right
