I'm broken
Do you hear me
I'm blinded
Cause you are everything I see
I'm dancing, alone
I'm praying
That your heart will just turn around

And as I walk up to your door
My eye turns to face the floor
Cause I can't look you in the eyes and say

When he opens his arms
And holds you close tonight
It just won't feel right
Cause I can love you more than this, yeah
When he lays you down, I'm might just die inside
It just don't feel right
Cause I can love you more than this
Can love you more than this

If I'm louder
Would you see me?
Would you lay down in my arms and rescue me?
Cause we are, the same
You saved me, when you leave it's gone again
And then I see you on the street
In his arms, I get weak
My body fails I'm on my knees
Praying

When he opens his arms
And holds you close tonight
It just won't feel right
Cause I can love you more than this, yeah
When he lays you down, I'm might just die inside
It just don't feel right
Cause I can love you more than this

I've never had the words to say
But now I'm asking you to stay

For a little while inside my arms
And as you close your eyes tonight
I pray that you will see the light
That's shining from the stars above

When he opens his arms
And holds you close tonight
It just won't feel right
Cause I can love you more than this
Cause I can love you more than this

When he lays you down, I'm might just die inside
It just don't feel right
Cause I can love you more than this, yeah

When he opens his arms
And holds you close tonight
It just won't feel right
Cause I can love you more than this

When he lays you down, I'm might just die inside
It just don't feel right
Cause I can love you more than this
