We've got a bit of love hate  
You take me to the edge then you hit the breaks  
I say it's over one day  
But then I'm crawling back, beggin' you to stay

We make up and we break up all the time

I'll say that I hate a song  
And then you'll go request it the whole night long  
Some people say it's so wrong  
But even when we fight girl you turn me on

We make up and we break up all the time

We're like na na na  
Then we're like yea yea yea  
Always like na na na  
Then we're like yea yea yea  
No we can't make up our minds  
Cos when we think we got it right  
We go na na na na na na...

You wanna party till late  
But when I do the same all you do is complain  
You know that it drives me insane  
But when I get with you girl you make it ok

We make up and we break up all the time

We're like na na na  
Then we're like yea yea yea  
Always like na na na  
Then we're like yea yea yea  
No we can't make up our minds  
Cos when we think we got it right  
We go na na na na na na...

Na na na! Yea yea yea!  
Na na na! Yea yea yea!

We're like na na na

Then we're like yea yea yea  
Always like na na na  
Then we're like yea yea yea

We're like na na na  
Then we're like yea yea yea  
Always like na na na  
Then we're like yea yea yea

No we can't make up our minds  
Cos when we think we got it right  
We go na na na
