Every path you take  
Every move you make  
It can change your life

But with every breath you take  
All the tears you've wasted  
You think failure's kind

Angels over you now  
Bribes you to see this out  
Cuz your not the only one

Look up your almost done  
This life it can be won  
Just pull it out of you,  
And shine like the brightest sun

Because here's our time  
So stop your crying  
Just live your life  
I'll be by your side

Well if you're as kind  
And an open mind  
We will make it  
Make it through this life

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh, oh

Because here's our time  
So stop your crying  
Just live your life  
I'll be by your side

Well if you're as kind  
And an open mind  
We will make it  
Make it through this life
