verse 1:

ready, get set fuego  
indio nga maldito  
my swag gikan's amu.a  
na dili nimu kaya.  
whats the point of you dissin  
when i dont really listen  
to small timers  
i waste a second of my hours  
pasensya, gahi gyud ko'g ulo  
they said i cant do it but  
di gyud ko mo tuo.  
thats the reason why  
im here, why im there  
why i get love everywhere  
why dem haters stop and stare  
u can only claim to be the best when you kill them with  
success  
and i guess thats why they wanna cage me in  
cz i am  
the sum when you  
double up your goonz  
and i know why you on tv coz  
ya bunch of loonie toons (u wack shhhhh)

chorus:

they said u cant do it on your own  
wack shi\* cant fly,wont shine but you  
provem wrong.. what you waiting for  
(c'mooooon) 2x

verse2:

filipino, provinciano, this right here is not  
a mimic  
dgt ent we all amAZn  
im asian,im alien, godzilla on the building  
manila aint the world  
so let them rock they city  
you aint clear like 3gp  
now watch me full HD  
let them follow me coz  
you aint going no where

with your flow  
better rap no more  
leave the game alone  
you wannabes shous rest in peace  
why suckers so afraid for me to get  
released?  
im just getting whats mine  
cz now is the perfect time  
the world is  
for the bravest  
im spitting full of rabies  
its dark in this business  
but my faith is luminous  
up and grindin i dont snooze  
thats the reason i dont lose
