(Verse 1)

The People I used to know have moved away and  
grown  
Grown so far away life changes everyday.  
My childhood is gone now it's time to move on  
Memories of when I was young my life has just begun

(Pre-Chorus)

(x4)

(Vocal 1) And I'll move on and I'll move on  
getting stronger everyday  
(Vocal 2) I can't go on like this it's getting  
harder everyday

(Chorus)

Everyday  
Every night and day  
I'll find a way  
To make you mine  
And when I say  
That I love you  
You better believe it's true  
I said you better believe it's true

(Verse 2)

As winter turns to spring and the birds they start to sing  
New life starts to form a whole new year is born  
As we remember those who have moved on it seems  
like its been so long  
We'll be reunited some day so very far away

(Pre-Chorus)

(x4)

(Vocal 1) And I'll move on and I'll move on  
getting stronger everyday  
(Vocal 2) I can't go on like this it's getting  
harder everyday

(Chorus)

Everyday  
Every night and day  
I'll find a way

To make you mine  
And when I say  
That I love you  
You better believe it's true  
I said you better believe it's true

(Guitar Solo)

(Chorus)  
Everyday  
Every night and day  
I'll find a way  
To make you mine  
And when I say  
That I love you  
You better believe it's true  
I said you better believe it's true

Everyday  
Every night and day  
I'll find a way  
To make you mine  
And when I say  
That I love you  
You better believe it's true  
I said you better believe
