### 1st verse

Here I am a better man and I owe it all to you.  
All that I see the air I breathe lets me know you're in  
my heart.

### Bridge

All that I've been through in my life, now I keep my  
head above the sky,  
with you by my side I have no fears, there's no  
mountain I can't climb.

### Chorus

Because of you, I live my life each day.  
Because of you, is the reason why I sing.  
Because of you, I live my life each day, and it's  
because of you, I see forever.

### 2nd verse

You gave my life, gave me your Son, through your  
words I'm born again.  
I kneel and pray in your holy name, with tears of joy  
Halleluyah.

### Repeat bridge

All that I've been through in my life, now I keep my  
head above the sky,  
with you by my side I have no fears, there's no  
mountain I can't climb.

Repeat Chorus (Because of you)

Repeat bridge (All that I've been through in my life)

Repeat Chorus (Because of you)

Ending verse

I am who I am. I am all I am because of you.  
I am who I am. I am all I am because of you.
