[Verse #1]

Yes I have awoken
He brought me back to life
My heart was unclean
I was living in a dream, more like a nightmare
I was in desperate need of a prayer
A savior, A friend
I was at end of the dark tunnel
My thoughts circulated, like a tornado funnel
Man I was close to death, gasping for my last breathe
of life
Then he came down
Like a shooting star
Placed his hands on me
And turned my life around
That was a year ago
Now I'm back in same position
In need of a new flow
Somebody call the doctor
Please let him know
That I need a recharge
Cause my spark is starting to fade away
From all the sin and decay
I-I donâ€™t wanna die this way (Woo)

[Hook]

I need a recharge
I need a recharge
My soul is dead
Please wake me from my bed (Yeah)

I need a recharge
I need a recharge
It's time to give my life back you (Oh Lord)

[Talking]

So what your saying is
Your soul was once alive, but now its dead

And you need a recharge?
Sounds simple enough (Not Quite)

[Verse #2]

Satan tried to take my soul, enslave my body and take control
Now heâ€™s lurking in the dark, hoping to steal my energy, my spark
He fooled me numerous times with tricks and deceitful lies
I'm sick of looking through a sinner's eyes
So I tore the puppet strings up off my back
Iâ€™m not a dummy
You canâ€™t control me jack
I ainâ€™t no Frankenstein
Boi Iâ€™m a reject!
I was resurrected from the grave, and reborn a slave
I made myself a servant to the king
So I could experience his grace, firsthand
This ainâ€™t a meaningless fling (Naw)
This is my infinitive plan (Yup)
God restored my light, now I can shine bright

[Hook]

I need a recharge
I need a recharge
My soul is dead
Please wake me from my bed (Wooo)

I need a recharge
I need a recharge
It's time to give my life back you (Oh Lord)

[Bridge]

I ainâ€™t no Frankenstein!
Man Iâ€™m a reject!
I ainâ€™t no Frankenstein!
â€œMan Iâ€™m a rejectâ€

[Verse #3]

Iâ€™m back up on my grind again
Living day to day, with sin
Sin up on my mind again
The only one who release me from my sinful ways
Is the man who died and rose in three days
So electrify me Jesus, fill me with your presence
Give me a chance, at romance

[Hook x2]

I need a recharge
I need a recharge

My soul is dead
Please wake me from my bed (Yeah)

I need a recharge
I need a recharge
It's time to give my life back you (Oh Lord)

I ain't no Frankenstein!
Man I'm a reject! (x4)

[Ending]
Man I'm a reject
